Scholarships: A very limited number of partial scholarships are offered to individuals based on need. To request scholarship support, submit the application form below by email or regular mail to the registrar to be **received** no later than May 1, 2012. Scholarship recipients will be informed of the amount of scholarship support shortly after that date. NOTE: Oneness Project will match a *portion of* cash scholarship support raised by a Dance circle or other entity to support a dancer to attend Camp. For example, if the Bozeman Dance Circle gives \$100 to support a dancer to attend, OP will match a *portion* of that cash toward that camper's registration fee. The amount of OP support will be based on need and the total amount of requests received. We have a very small scholarship budget, and will give preference to young adults and children.
