Wilderness Dance Camp 2009

Oneness Project

Murshid Allaudin Ottinger comes to us this year as an inspiration in musical energy. He has been working for the unity of humanity since 1979 through the Peace through the Arts movement, Dances of Universal Peace, Sufi Ruhaniat, and as a professional musician offering educational, recording and performance-based events. Many of our most beloved zikr pieces originated through Allaudin's bright soul. He will be sharing this cosmic talent with us as Spiritual Director.

Zareen Connie Delaney returns as Camp Director of Wilderness this year. Zareen continues to push fearlessly into the unity of the future through group work with Enlightened Communication, the Dances, and expansion of perspectives to unite the teachings of the world. She is passionate about all the ways we can come together to co-create a sustainable world of peace and prosperity.

We're in this world together, and through our deep communion can create a being of such love and gratitude that it spills back into our daily communities. Coming together to create a cosmic field of unity lifts human consciousness to a new level—No need to stand back and watch... join in and be heard!

We'll be blessed again this year by our favorite unity creators: Peter Munir Reynolds, Darvesha, Eric Narayan Waldman and Bernie Heideman. *This is a camp not to miss!*

Accommodations ~ At our new venue, *Flathead Lake United Methodist Camp*, there are rustic shared room cabins with bunk beds and a few double beds for couples (reserve early); each cabin has a simple kitchen, livingroom and porch overlooking the lake. Tenting is also available and there are some RV spaces with electrical hook ups.

Food ~ Camp staff will provide simple meals with vegetarian and meat options. You may bring supplies to cover your special needs; each cabin has a modestly equipped kitchen with range, refrigerator, and microwave to store and prepare your food.

Shuttle ~ Camp is located approximately 45 minutes from the Kalispell, Montana airport, and we will run a limited number of shuttle trips, \$20 per person *each way* on the first and last day of camp only. The first shuttle will leave the airport at noon on Sunday, July 26th. For departures, plan to arrive at the airport for check in on Saturday, August 1st *no earlier* than 2:00 pm.

Refund Policy ~ Because Oneness Project is no longer financially able to subsidize events, we have less flexibility around cancellations and refunds. *If unable to attend, please do not find your own replacement, as we will fill vacancies from a waiting list.*

Health & Safety ~ Oneness Project is dedicated to creating a safe and healthy camp for all participants and asks you to share in this responsibility. Our staff is not equipped to care for adults or children needing significant supervision, behavior control, or counseling.

A mailing with important camp information and policies will be sent to registered campers in June.
